### **HERB THE NEWS!!!!**

Now available in the UK, exclusively from International Food, is a range of jellied herbs from Les Plantes de la Lorient!

No artificial colouring or preservatives are used during the creation process. Each jelly is sold in 250g glass jars and can be kept for over two years. Les Plantes de la Lorient replaces dried, frozen and fresh condiments and herbs and, can easily be integrated into your usual recipes, adding a sublime extra touch. They can also be used as condiments!

In the heart of Lautrec country, in the department of Tarn in France, the land is rich and fertile, the countryside beautiful and the air is pure. Here there lies a small house surrounded by an extraordinary garden filled with medicinal and aromatic plants. The name of this garden is La Lorient (named after the garden of Galadriel, Queen of the Elves in Tolkien's Lord of the Rings).

With a lot of hard work and some recipes of an ancient herbalist, Les Plantes de la Lorient was born – a superb range of jellies with all the flavours and aromas of plants harmoniously incorporated.

Sold in case sizes of 3's and priced at £4.35 per jar, flavours available include:

Rosemary  
Thyme  
Lemon Thyme  
Basil  
Bay Leaf  
Coriander  
Mint  
Sage  
Sarriette (Savoury)
